1. Purpose and Scope

1.1 Purpose

This Policy sets out how Nexora Technologies Private Limited determines, structures, administers and pays compensation and benefits. It exists so that pay decisions are consistent, explainable, compliant and defensible, and so that every employee can understand how their own pay is constructed and when it will reach their account.

1.2 Scope

This Policy applies to all employees on the Nexora payroll at Gurugram, Bengaluru and Pune, including probationers, Graduate Engineer Trainees and fixed-term contract employees, except where a clause states otherwise. It does not apply to independent contractors, consultants engaged on a statement of work, or staffing-partner deputees, whose remuneration is governed by the relevant contract.

1.3 Compensation Philosophy

Nexora's compensation philosophy rests on five commitments:

1. **Market-informed.** Fixed pay is benchmarked annually against the Indian IT services

market using the Aon and Mercer India Technology surveys, with Nexora targeting the **60th percentile** of the peer set for Band B1–B4 and the **50th percentile** for Band B5 and above, where the mix shifts towards variable pay.

2. **Internally equitable.** Two employees in the same band, role family, location and

performance tier should be paid within a defensible range of each other. Compa-ratio dispersion is reviewed annually.

3. **Performance-differentiated.** Increment and variable pay outcomes differ materially by

rating. A rating of 5 must produce a visibly different outcome from a rating of 3.

4. **Transparent in structure.** Every employee can see how their CTC is constructed, what

each component means, and how each is taxed.

5. **Compliant without exception.** Statutory obligations under the Employees' Provident

Funds and Miscellaneous Provisions Act, 1952, the Payment of Gratuity Act, 1972, the Payment of Bonus Act, 1965, the Payment of Wages Act, 1936, the Income-tax Act, 1961, the Employees' State Insurance Act, 1948 and applicable State Professional Tax legislation are met in full and on time.

1.4 Pay Equity

Nexora conducts an annual pay equity review, completed before the increment cycle closes, comparing median fixed pay by gender within each band, role family and location cohort of ten or more. Any unexplained gap above 3% is corrected in the same cycle through a targeted adjustment budget held by the CHRO, outside the function's increment pool. The result of the review is reported to the Board's Nomination and Remuneration Committee each year.

2. Compensation Structure

2.1 The Three Elements of CTC

Cost to Company (CTC) is the aggregate annual cost of employing a person. It comprises:

Element	Description	Guaranteed?
Fixed Pay	Monthly cash salary and annual allowances	Yes
Variable Pay	Performance-linked annual or quarterly payout	No
Retirals	Employer PF, gratuity provision, employer NPS where elected	Yes, subject to statute

CTC is **not** take-home pay. Take-home pay is Fixed Pay less employee statutory deductions (PF, professional tax, income tax) and less any voluntary deductions.

2.2 Fixed Pay Construction

Component	Basis	Notes
Basic Salary	40% of annual Fixed Pay	Drives PF, gratuity, leave encashment, notice recovery
House Rent Allowance (HRA)	50% of Basic Salary	Exemption under Section 10(13A) claimed on rent proof
Leave Travel Allowance (LTA)	INR 40,000 per annum	Exempt under Section 10(5) for two journeys in a block of four calendar years
Meal Card (NexoCard)	INR 2,200 per month	Taxed as a perquisite in accordance with prevailing rules
Telephone and Internet Allowance	INR 1,500 per month	Payable to Hybrid and Fully Remote employees against a declaration
Books and Periodicals Allowance	INR 1,000 per month	Reimbursed against bills
Special Allowance	Balancing figure	Fully taxable

Nexora Technologies Private Limited — Confidential — Internal Use Only — HR-POL-007 v2.4

The current block for LTA purposes is the calendar years 2026 to 2029.

Employees who have elected the new tax regime under Section 115BAC may opt for a simplified structure comprising Basic Salary at 50% of Fixed Pay and Special Allowance as the balancing figure, since most exemptions are unavailable under that regime. The election is made once a year in April on PeopleHub → My Pay → Structure Election.

2.3 Worked Example — Band B3, Bengaluru, CTC INR 24,00,000

Line	Annual (INR)	Monthly (INR)
Cost to Company	24,00,000	2,00,000
Less: Employer PF (12% of Basic, at the statutory ceiling)	21,600	1,800
Less: Gratuity provision (4.81% of Basic)	40,700	3,392
Less: Variable Pay at 8% of CTC	1,92,000	—
Fixed Pay	21,45,700	1,78,808
Basic Salary (40% of Fixed Pay)	8,58,280	71,523
House Rent Allowance (50% of Basic)	4,29,140	35,762

Line	Annual (INR)	Monthly (INR)
Leave Travel Allowance	40,000	3,333
Meal Card	26,400	2,200
Telephone and Internet Allowance	18,000	1,500
Books and Periodicals Allowance	12,000	1,000
Special Allowance (balancing)	7,61,880	63,490

Illustrative monthly deductions for the same employee: employee PF INR 1,800; professional tax (Karnataka) INR 200; income tax as per the declaration on record. Figures are illustrative and rounded.

2.4 Salary Ranges by Band

The following are the annual CTC ranges applicable from 1 April 2026 for the Engineering role family at Gurugram. Ranges for Bengaluru are set at parity with Gurugram; ranges for Pune are set at 94% of the Gurugram range. Ranges for non-engineering role families are published separately on PeopleHub → My Pay → Band Ranges and are visible to the employee for their own band only.

Band	Minimum (INR)	Midpoint (INR)	Maximum (INR)
B1	5,50,000	7,20,000	9,00,000
B2	8,50,000	11,50,000	14,50,000
B3	14,00,000	19,00,000	24,50,000
B4	22,00,000	29,00,000	37,00,000
B5	33,00,000	43,00,000	54,00,000
B6	48,00,000	62,00,000	78,00,000
B7	72,00,000	95,00,000	1,22,00,000
B8	1,10,00,00	1,45,00,000	1,90,00,000

Compa-ratio is an employee's CTC divided by the midpoint of their band range. A compa-ratio below 0.85 or above 1.15 requires written justification from the function head at each review. An offer above the band maximum requires the approval of the CHRO and the CFO.

2.5 Special Pay Elements

Element	Amount	Eligibility
Evening shift allowance (Shift B, 14:00–23:00)	INR 300 per shift worked	All bands up to B5 on an approved roster
Night shift allowance (Shift C, 21:30–06:30)	INR 550 per shift worked	All bands up to B5 on an approved roster
On-call allowance — weekday	INR 700 per day of roster	B2 to B5 on a published on-call roster
On-call allowance — weekend or holiday	INR 1,200 per day of roster	B2 to B5 on a published on-call roster
Incident callout	INR 1,500 per callout resolved outside working hours	On-call roster members, maximum 2 per day
Onsite deputation allowance — short term	Per diem as per FIN-POL-006	Deputation up to 90 days

Element	Amount	Eligibility
Onsite deputation allowance — long term	Location-specific package approved by the CFO	Deputation above 90 days
Client-site parking and travel	Actuals	Where the client site is not the assigned office
Retention bonus	Case by case, CHRO approval	Critical-skill retention, with a service commitment
Joining bonus	Up to 15% of first-year CTC	Recovered in full if the employee separates within 12 months

Shift and on-call allowances are paid in the payroll of the month following the month in which the shifts were worked, based on the roster attendance certified by the Delivery Manager by the 18th.

3. Annual Compensation Review

3.1 Cycle

Stage	Window	Owner
Market benchmarking refresh	November – December	Compensation and Benefits team
Budget approval by the Board	January	CFO, CHRO
Performance ratings finalised and normalised	16 April – 20 May	Normalisation Council
Increment and promotion recommendations	21 May – 5 June	Function heads
Compensation review and equity check	6 June – 18 June	Compensation and Benefits team
Letters released	25 June	HR Operations
Effective date	1 July	Payroll

3.2 Increment Guidelines for the Cycle Effective 1 July 2026

The overall increment budget approved by the Board for FY 2026-27 is **8.4% of the aggregate fixed-pay base**. Indicative individual outcomes are:

Rating	Label	Indicative increment range	Variable pay multiplier	Promotion eligibility
5	Outstanding	14% – 18%	1.50x	Eligible
4	Exceeds Expectations	10% – 13%	1.20x	Eligible
3	Meets Expectations	6% – 9%	1.00x	Eligible on second consecutive 3 with readiness assessment
2	Partially Meets Expectations	0% – 4%	0.50x	Not eligible
1	Below Expectations	Nil	Nil	Not eligible; PIP applies

Additional adjustments outside the guideline may be applied for:

- (a) a compa-ratio below 0.85 where performance is 3 or above (market correction);
- (b) a critical-skill premium approved by the practice head and the CHRO;
- (c) a pay equity correction under Clause 1.4; and
- (d) a promotion increment under Clause 3.3.

3.3 Promotion Increment

A promotion carries an increment in addition to the merit increment, calculated so that the new CTC is not below the minimum of the new band:

Band movement	Promotion increment (over and above merit)
B1 → B2, B2 → B3	8% – 12%
B3 → B4	10% – 14%
B4 → B5	12% – 16%
B5 → B6 and above	12% – 18%

Promotions are effective 1 July, in the same cycle as the compensation review. Off-cycle promotions require the approval of the CHRO and are limited to 1% of function headcount in a financial year.

3.4 Eligibility

An employee is eligible for the annual increment if they:

- (a) joined on or before **31 December** of the preceding year — those joining between 1 January and 31 March receive a pro-rated increment at 50% of the guideline; those joining on or after 1 April are not eligible in the immediately following cycle;
- (b) are confirmed, or are due for confirmation before 1 July;
- (c) hold a rating of 2 or above; and
- (d) have not resigned and are not serving notice on the date the letters are released.

3.5 Off-cycle Revisions

Off-cycle compensation revisions are made only for a counter-offer retention case approved by the CHRO and the function head, a role change involving a band movement, a market correction identified in the equity review, or the correction of an administrative error. Counter-offer retention is used sparingly; a function may not exceed four counter-offers in a financial year without ELT approval.

4. Variable Pay

4.1 Structure

Variable pay opportunity, expressed as a percentage of CTC, is:

Band	Variable pay as % of CTC	Payout frequency
B1 – B2	5%	Annual, with June payroll
B3	8%	Annual, with June payroll
B4	12%	Annual, with June payroll
B5 – B6	15%	Annual, with June payroll
B7 – B8	20%	Annual, with June payroll
Sales and Account Management (all bands)	25% – 40%	Quarterly, per the Sales Incentive Plan (FIN-POL-014)

4.2 Calculation

Variable payout = Variable pay opportunity × Company multiplier × Business unit multiplier × Individual multiplier × Eligibility fraction

- **Company multiplier** (0.6 to 1.3) is determined by the Board against the annual revenue and EBITDA plan.
- **Business unit multiplier** (0.7 to 1.3) is determined by the ELT against the business unit's revenue, margin, utilisation and client satisfaction targets.
- **Individual multiplier** is the rating multiplier from Clause 3.2.
- **Eligibility fraction** is the proportion of the assessment year (1 April to 31 March) for which the employee was on the payroll and not on unpaid leave, expressed to two decimals.

Worked example: a Band B4 employee on CTC INR 30,00,000, rated 4, who joined on 1 October 2025, in a year where the Company multiplier is 0.95 and the business unit multiplier is 1.10.

Opportunity = 12% × 30,00,000 = INR 3,60,000 Payout = 3,60,000 × 0.95 × 1.10 × 1.20 × 0.50 = INR 2,25,720

4.3 Eligibility and Exclusions

An employee is not eligible for variable pay where they have resigned, are serving notice, or have been served notice of termination on the date of disbursement; where they hold a rating of 1; where they are on a live final written warning under HR-POL-001, Clause 15.2; or where they are on a Performance Improvement Plan that has not been successfully closed.

Employees on Maternity, Paternity or Adoption Leave during the assessment year are treated as being on the payroll for the full period of that leave, and the leave does not reduce the eligibility fraction.

Variable pay is discretionary. Payment in one year creates no entitlement in any subsequent year.

5. Payroll Administration

5.1 The Payroll Calendar

Event	Day
Payroll month	1st to the last day of the calendar month
Attendance, leave and input cut-off	18th of the month
Investment declaration and proof window	As per Clause 7.3
Payroll processing and internal review	19th to 24th
Bank file released	25th to 27th
Salary credited	Last working day of the month
Payslip published on PeopleHub → My Pay	By the 3rd working day of the following month
Statutory remittances (PF, PT, TDS)	By the 15th, 20th and 7th of the following month respectively

Where the last working day falls on a bank holiday, salary credit is advanced to the preceding working day. Any input received after the 18th — a leave regularisation, a shift certification, a reimbursement approval, a bank-detail change — is processed in the following month's payroll and no off-cycle payment is made except under Clause 5.4.

5.2 Payslips and Statements

Payslips are published as password-protected PDFs on PeopleHub → My Pay. The password is the employee's PeopleHub ID in lower case followed by the date of birth in DDMMYYYY format. The payslip shows earnings by component, deductions, the leave balance snapshot as at the last day of the month, and the year-to-date tax computation.

The following statements are also available on PeopleHub:

Statement	Availability
Monthly payslip	3rd working day of the following month
Annual tax computation sheet	Live, refreshed nightly
Form 16 (Parts A and B)	By 15 June for the preceding financial year
Form 12BA (perquisites)	With Form 16
Provident Fund passbook link	Live, via the EPFO member portal
Full and final settlement statement	With the settlement payment
Income and employment verification letter	On request, 2 working days

Nexora Technologies Private Limited — Confidential — Internal Use Only — HR-POL-007 v2.4

5.3 Bank Account and Payment

Salary is paid by direct credit to a single bank account in the employee's own name. Joint accounts are permitted only where the employee is the primary holder. Salary is not paid to a third-party account under any circumstances.

Bank account changes are made on PeopleHub → My Profile → Bank Details, require an uploaded cancelled cheque or a bank statement header showing the name, account number and IFSC, and are

subject to a verification call from the Payroll team. Changes received after the 18th take effect the following month.

5.4 Off-cycle Payments

Off-cycle payments are made only for: a salary payment missed through a Company error; a full and final settlement; a statutory payment such as gratuity or maternity benefit; and an emergency medical advance under HR-POL-001, Clause 7.5. All off-cycle payments require the joint approval of the Head of Payroll and the CFO.

5.5 Overpayment and Recovery

Where an overpayment is identified, Payroll notifies the employee in writing with a computation. Recovery is made from subsequent salary in instalments not exceeding 20% of net monthly salary, or in a single deduction where the employee consents in writing, or from the full and final settlement. Recovery from a separating employee that exceeds the settlement amount is pursued as a debt.

6. Statutory Contributions and Deductions

6.1 Provident Fund

Item	Treatment
Employee contribution	12% of Basic Salary
Employer contribution	12% of Basic Salary, restricted to the statutory wage ceiling of INR 15,000 per month (INR 1,800) unless the employee has elected contribution on full Basic
Split of employer contribution	8.33% to the Employees' Pension Scheme, subject to the ceiling; balance to the Provident Fund
Voluntary Provident Fund (VPF)	Up to 88% of Basic; election accepted in April and October only
Interest	As notified by the EPFO each year
UAN	Allotted or linked at joining; visible on PeopleHub
Withdrawal and transfer	Through the EPFO Unified Member Portal; Payroll assists with the employer attestation

Employees whose Basic Salary at the time of first joining the Provident Fund exceeded INR 15,000 per month and who were not previously members may elect to be excluded, by submitting Form 11 at joining. The election is irrevocable for the duration of employment with Nexora.

6.2 Gratuity

Payable under the Payment of Gratuity Act, 1972 on separation after five (5) years of continuous service. The five-year condition does not apply on death or permanent disablement.

$$\text{Gratuity} = (15 \div 26) \times \text{last drawn (Basic + Dearness Allowance)} \times \text{completed years of service}$$

A period of more than six months in the final year counts as a full year. The statutory exemption limit under Section 10(10) of the Income-tax Act, 1961 applies; amounts above the limit are taxable. Gratuity is paid within thirty (30) days of it becoming payable. Nexora maintains a funded gratuity trust with Sarvodaya Life Assurance.

Nomination is made in Form F at joining and must be updated within thirty (30) days of marriage or of a change in family circumstances.

6.3 Employees' State Insurance

ESI applies to employees whose monthly gross wages do not exceed INR 21,000. The employee contributes 0.75% and the employer 3.25% of gross wages. At Nexora this applies principally to a small number of Band B1 support roles and to interns receiving a stipend above the threshold. Covered employees are issued an ESI number and a Pehchan card and are directed to the designated ESI dispensary for their residence.

6.4 Professional Tax

State	Monthly gross	Monthly professional tax
Haryana (Gurugram)	Not levied	Nil
Karnataka (Bengaluru)	Up to INR 24,999	Nil
Karnataka (Bengaluru)	INR 25,000 and above	INR 200
Maharashtra (Pune)	Up to INR 7,500	Nil

State	Monthly gross	Monthly professional tax
Maharashtra (Pune)	INR 7,501 to INR 10,000	INR 175
Maharashtra (Pune)	Above INR 10,000	INR 200 (INR 300 in February)

6.5 Labour Welfare Fund

Contributions are made as required in Karnataka and Maharashtra at the notified rates and frequencies. The employee's share is deducted in the December payroll for Karnataka and in the June and December payrolls for Maharashtra.

6.6 Statutory Bonus

Employees whose Basic Salary plus Dearness Allowance does not exceed INR 21,000 per month are paid a statutory bonus under the Payment of Bonus Act, 1965, at the rate declared for the financial year, subject to the statutory minimum of 8.33% and maximum of 20% of the salary computed on a notional ceiling of INR 7,000 per month or the applicable minimum wage, whichever is higher. The bonus is paid in the November payroll each year.

7. Income Tax and Declarations

7.1 Tax Regimes

Employees may elect between the old tax regime, with exemptions and deductions, and the new tax regime under Section 115BAC, with lower slab rates and limited deductions. The default regime is the new regime; an employee wishing to remain on the old regime must make a positive election.

The election is made on PeopleHub → My Pay → Tax Regime in April each year and is applied to the withholding for that financial year. The regime elected for withholding does not bind the employee at the time of filing the return of income.

7.2 Investment Declaration

Stage	Window	Effect
Provisional declaration	1 – 25 April	Basis for withholding from the April payroll
Mid-year revision	1 – 20 October	Adjusts withholding for the balance of the year
Proof submission	1 – 31 January	Declarations without proof are withdrawn
Final adjustment	February and March payrolls	Shortfall or excess recovered or adjusted

Nexora Technologies Private Limited — Confidential — Internal Use Only — HR-POL-007 v2.4

An employee who does not submit a provisional declaration by 25 April has tax withheld on the gross salary without any exemption or deduction, adjusted retrospectively once the declaration is received.

7.3 Common Proofs Accepted

Deduction or exemption	Proof required
HRA (Section 10(13A))	Rent receipts; rent agreement; landlord PAN where annual rent exceeds INR 1,00,000
Section 80C	LIC premium receipts, PPF passbook, ELSS statement, tuition fee receipts, principal repayment certificate
Section 80D	Premium receipt for parental top-up or an independent policy; preventive health check-up bill
Section 24(b)	Provisional interest certificate from the lender; possession certificate
Section 80E	Education loan interest certificate
LTA (Section 10(5))	Boarding pass, ticket, invoice for the journey within India
Section 80CCD(1B)	NPS Tier-I contribution statement
Previous employer income	Form 12B with the previous employer's Form 16 or tax computation

Nexora Technologies Private Limited — Confidential — Internal Use Only — HR-POL-007 v2.4

New joiners must submit Form 12B within thirty (30) days of joining. Where it is not submitted, Nexora withholds tax on Nexora income alone, which frequently results in a shortfall at the time of filing; the responsibility for the shortfall rests with the employee.

7.4 Perquisites

Perquisites valued and reported in Form 12BA include the meal card credit above the exempt limit, the employer's contribution to the Provident Fund, the National Pension System and any superannuation fund in excess of INR 7,50,000 in aggregate in a financial year together with the annual accretion thereon, an interest-free or concessional loan above INR 20,000, and any Company-provided accommodation.

Long service award	INR 25,000 / 75,000 / 1,50,000 at 5 / 10 / 15 years	On completion of the milestone
Volunteering leave	2 paid days per financial year	All employees
Car lease scheme	Through the Company's leasing partner, within CTC	Band B6 and above
National Pension System	Employer contribution up to 10% of Basic, within CTC	All employees, election in April and October

8.4 Car Lease Scheme

Band B6 and above may enter a novated operating lease through the Company's leasing partner, Meridian Fleet Solutions, for a term of thirty-six (36) or forty-eight (48) months. The lease rental, insurance, maintenance and fuel components are restructured within the employee's existing CTC and are treated as a perquisite in accordance with prevailing rules. On separation before the end of the term, the employee must either take assignment of the lease or pay the foreclosure charge levied by the lessor; the Company does not absorb either.

9. Separation Payments

9.1 Notice Period and Notice Pay

The notice period applicable to a confirmed employee, on resignation or on termination other than for cause, is:

Band	Notice period
B1 – B3	60 calendar days
B4 and above	90 calendar days
During probation, all bands	30 calendar days

Where a shortfall in notice is approved by the function head and the CHRO, recovery is made at:

$$\text{Notice shortfall recovery per day} = (\text{Monthly Basic Salary} + \text{Dearness Allowance}) \div 30$$

Notice pay recovered is not a payment for services and does not attract Provident Fund. Where the Company waives notice, no recovery is made and the last working day is advanced.

9.2 Full and Final Settlement

The settlement is processed within **forty-five (45) days** of the last working day and is credited to the employee's registered bank account. It comprises:

Payable to the employee

Item	Basis
Salary for days worked in the final month	Gross ÷ calendar days × days worked
Earned Leave encashment	Up to 30 days at (Basic + DA) ÷ 30
Gratuity, where payable	Clause 6.2
Statutory bonus, where applicable, on a pro-rata basis	Clause 6.6
Variable pay declared before the resignation date and not yet paid	Clause 4.3
Approved and unpaid reimbursements	NexSpend records
Shift, on-call and callout allowances certified but unpaid	Roster records

Recoverable from the employee

Item	Basis
Notice shortfall	Clause 9.1
Outstanding salary advance or medical advance	Balance outstanding
Relocation assistance	100% if separating within 12 months of relocation; 50% between 12 and 24 months
Joining bonus	100% if separating within 12 months
Retention bonus	As per the retention letter
Higher education assistance	Pro rata over the 24-month bond
Certification reimbursement above INR 1,00,000 in aggregate	Pro rata over the 12-month commitment
Unreturned assets	Depreciated value, capped at INR 40,000 per asset

Item	Basis
Excess leave availed	(Basic + DA) ÷ 30 per day
Loss of Pay days	Gross ÷ calendar days per day

Nexora Technologies Private Limited — Confidential — Internal Use Only — HR-POL-007 v2.4

Where the recoverable amount exceeds the payable amount, the difference is a debt due to the Company and is demanded in writing. The relieving letter is issued irrespective of the settlement outcome, provided the employee has completed asset return and clearance, and is not withheld as a means of recovering money.

9.3 Form 16 and Post-separation Documents

Form 16 for the year of separation is issued by 15 June following the end of that financial year and is emailed to the employee's personal email address on record. Employees must ensure that the personal email address on PeopleHub is current before the last working day. Requests for a duplicate Form 16 or an employment verification letter after separation are made to alumni.support@nexoratech.in and are actioned within five (5) working days.

10. Roles, Governance and Confidentiality

10.1 Responsibilities

Role	Responsibility
Board — Nomination and Remuneration Committee	Approves the compensation philosophy, the annual increment budget and ELT compensation
Chief Financial Officer	Owns the payroll cost budget, statutory compliance and the payment process
Chief Human Resources Officer	Owns the compensation structure, band ranges, the equity review and exceptions
Head of Payroll and Compliance	Runs the payroll cycle, statutory remittances and returns, and audits
Compensation and Benefits team	Benchmarking, range setting, offer approvals, the increment model
Function heads	Recommend increments and promotions within the approved budget
HR Business Partners	Communicate outcomes; handle individual queries and escalations
Employees	Maintain accurate declarations, bank details, nominations and dependant records

10.2 Confidentiality of Compensation Information

An employee's compensation is confidential between the employee, their reporting manager, the function head, the HRBP, the Compensation and Benefits team and Payroll. Employees are free to discuss their own compensation with anyone; nothing in this Policy restricts that. What is prohibited is the disclosure of **another** employee's compensation by a person who obtained it in the course of their duties, which is a breach of HR-POL-002, Clause 3.1.

Managers must not disclose one team member's outcome to another, and must not use a comparison to another named individual when communicating an outcome.

10.3 Approval Matrix

Decision	Recommends	Approves
Offer within the band range	Hiring manager	Function head, HRBP
Offer above the band midpoint	Hiring manager	Function head, Head of C&B
Offer above the band maximum	Function head	CHRO and CFO
Joining bonus up to 10% of CTC	Hiring manager	Function head
Joining bonus above 10% of CTC	Function head	CHRO
Annual increment within guideline	Reporting manager	Function head
Increment outside guideline	Function head	CHRO
Promotion, B1 to B4	Reporting manager	Function head, HRBP
Promotion, B5 and above	Function head	CHRO and CEO
Retention or counter-offer	Function head	CHRO
Off-cycle revision	Function head	CHRO
Notice period waiver or reduction	Reporting manager	Function head and CHRO
Off-cycle payment	Head of Payroll	CFO

Decision	Recommends	Approves
Policy exception	HRBP	CHRO and CFO jointly

10.4 Audit

The payroll process is audited quarterly by the Internal Audit function and annually by the statutory auditor. The scope covers the completeness of the master data, the accuracy of statutory computations, the timeliness of remittances, the segregation of duties between input, approval and payment, and the reconciliation of the payroll register to the general ledger. Findings are reported to the Audit Committee.

Access to the payroll system is granted on the principle of least privilege, is reviewed quarterly, and is revoked within twenty-four (24) hours of a change of role.

11. Frequently Asked Questions

Q1. My CTC is INR 24,00,000. Why is my monthly credit not INR 2,00,000? Because CTC includes variable pay and retirals, which are not part of the monthly cash salary, and because statutory and tax deductions are made from the fixed monthly amount. See the worked example at Clause 2.3.

Q2. When will I get my increment letter? Letters are released on 25 June and the revision is effective 1 July, appearing first in the July payroll credited on the last working day of July.

Q3. I joined in February 2026. Am I eligible for the July 2026 increment? No. Employees joining on or after 1 April of the assessment year are not eligible in the immediately following cycle. Employees joining between 1 January and 31 March receive 50% of the guideline.

Q4. I resigned on 10 May. Will I receive variable pay in June? No. Employees who have resigned or are serving notice on the date of disbursement are not eligible.

Q5. Can I add my parents to the medical policy in September? Only if you joined in the preceding thirty days or have had a qualifying life event. Otherwise you must wait for the renewal on 1 July.

Q6. How long is my notice period? Sixty calendar days if you are at Band B1 to B3, and ninety calendar days at Band B4 and above. Thirty calendar days during probation.

Q7. I did not submit investment proofs in January. What happens? The provisional declaration is withdrawn and tax is recomputed without those deductions, with the shortfall recovered from the February and March payrolls. You may still claim the deduction when you file your return of income.

Q8. Why is my professional tax INR 300 in February? Maharashtra levies INR 200 for ten months and INR 300 in February, totalling INR 2,500 for the year. Haryana does not levy professional tax at all.
